## Installing the ScottAgri iPhone App

Go to the App Store. Search for 'ScottAgri', select app, and install.

#### **Before Using App**

Before you can use the ScottAgri app, you must setup your account information. To do this, open the iPhone Settings app and select 'ScottAgri'.

Fill in the Login Details. You can get the required login information by contacting the ScottAgri Office.

Exit the Settings app. You are now ready to run the ScottAgri app.

### Using the App

Run the app by finding and pressing the ScottAgri app icon on your phone:

IP	L	Sales	Pos	Report Sale					

When first run, the ScottAgri app displays the 'IPL/YBL' screen. This screen displays your current IPL (Important Price Level) and YBL (Your Bottom Line) values for the current and next crop seasons

At the bottom of the screen are 4 buttons:

**IPL** – displays the IPL screen.

**Sales** – displays a list of crops that you have sales for. You can select a crop from the list to display detailed sales information for that crop.

**Pos** – displays your current market positions

**Report Sale** – allows you to report a cash sale via phone or email.

Note that you can scroll the screen up/down and left/right to display all the available data, as well as pinch to zoom/shrink the display.

The "Report Sale" button allows you to report a cash sale to ScottAgri.

When you tap the "Report Sale" button, you will be presented with this dialog.

From here, you can:

**Call Office** – tap this button to have the app dial the ScottAgri main office number. This will allow you to speak with a person at ScottAgri so you can give them the details of your sale.

**Call Voice Mail** – tap this button to have the app dial the ScottAgri voice mail phone number. This will allow you to leave a voice mail with the details of your sale.

**Send Email** – tap this button to create and send an email message from your phone to ScottAgri, with the details of your sale.

Cancel – tap this button if you do not wish to contact ScottAgri via any of the above methods.
